Council is concerned with people refusing to dispose of their material in the proper manner. Instead, there are those who will dump their garbage by the side of the roads or in the woods. We asked that if you see this happening, please contact the RCMP at 709-786-2118 or the Council Office at 709-528-4588 with any and all information that you can provide so that these people can be charged. Fines for this can range up to \$2,000.00, imprisonment or both.
